AN INDEPENDENT NEWSPAPER

The Hibuquerque Informing Journal

JOURNAL PUBLISHING CO.

Western Reresentative C. J. ANDERSON.

Eastern Representativa RALPH R. MULLIGAN, B Park Row, New York.

Effered as second-class matter at the postulties of Alluquerque, N. M., under Act of Observes of March 1, 1879.

Larger circulation than any other paper in New Mexico. The only paper in Mexico issued websy day in the year.

The Murning Journal has a higher circu-lation rating than is accorded to any other paper in New Meaton. The American Newspaper Investory.

AN EXPLANATION.

At 9:48 o'clock Saturday night at Journal, signed by several well- vironment was perfectly natural, known ministers of the city protesting against the opening of the fair grounds for purposes of enterthing ment on Sunday night, and criticis ing the management of the fair for sa alleged descration of the Sahbath This communication was accompanied by the request that it be published conspicuously in Sanday murning's issue of the Journal.

WHAT TO EXPECT.

Still in the portrait known as the protein and experience upon her face. The Basch Hat. This remarkable picture is startling in its truthfulness and truthfulness that darks be underposed with the following a woman in a red awenter and and truthfulness that darks be underposed with the manner of Hals in his impetuous the united hyboth canases and yet which, to the writer at least, suggests the protein picture is startling in its truthfulness and truthfulness that darks be underposed with the following a woman in a red awenter and and truthfulness that darks be underposed with the following a woman in a red awenter and and truthfulness that darks be underposed with the following a woman in a red awenter and truthfulness and truthfulness that darks be underposed with the following a woman in a red awenter and truthfulness and truthfulness and truthfulness that darks be underposed with the following a woman in a red awenter and truthfulness and tr
